

Accu-Cut Premium Cutters USA made

Benefits of Using Accu-Cut Pliers & Cutters
CUTTING PERFORMANCE.....Lowest Cost per Cut

- Cuts before edges become dull (Often hundreds of thousands of cuts are possible)
- Cutting access in small or confined areas
- Cutting fine wire or leads equal to or thinner than the width of a human hair
- Cutting fine hard wire (Wire made from stainless steel or tungsten can be cut without nicking of cutter edges)
- Cutting exceptionally flush

VALUE

- Low price for high performance and high quality
- Expert application advise

QUALITY

- Reliability and consistency of operation
- Designed for the cutting task
- Blade sharpness and hardness
- Smoothness of operation
- Balance and feel
- Workmanship and appearance
- Ruggedness

All Accu-Cut Cutters & Pliers feature ESD Safe Ergonomic Handles
